

Individual Plan of Study

This is an academic and career planning folder for Kansas students. It is designed as a tool to help students identify educational and career goals.

I. Personal Data

Name (Last) _____ (First) _____ (MI) _____

Address (Street) _____

(City) _____ Kansas _____ (Zip) _____

Phone () _____ Email _____ Birth Date _____ Student ID # _____

Parent/Guardian Name(s) _____

II. Educational History

Name of School	City and State
Elementary School(s)	
Middle School(s)	
High School(s)	

III. Credit History

9th Grade ____ = ____ School Year

11th Grade ____ = ____ School Year

Advisor _____

Advisor _____

10th Grade ____ = ____ School Year

12th Grade ____ = ____ School Year

Advisor _____

Advisor _____

My Career Assessment

IV. Career Interest

Grade Level: _____

Assessment Instrument: _____

What are my 3 areas of career interest and the related career cluster for each?

Interest Areas

Career Clusters

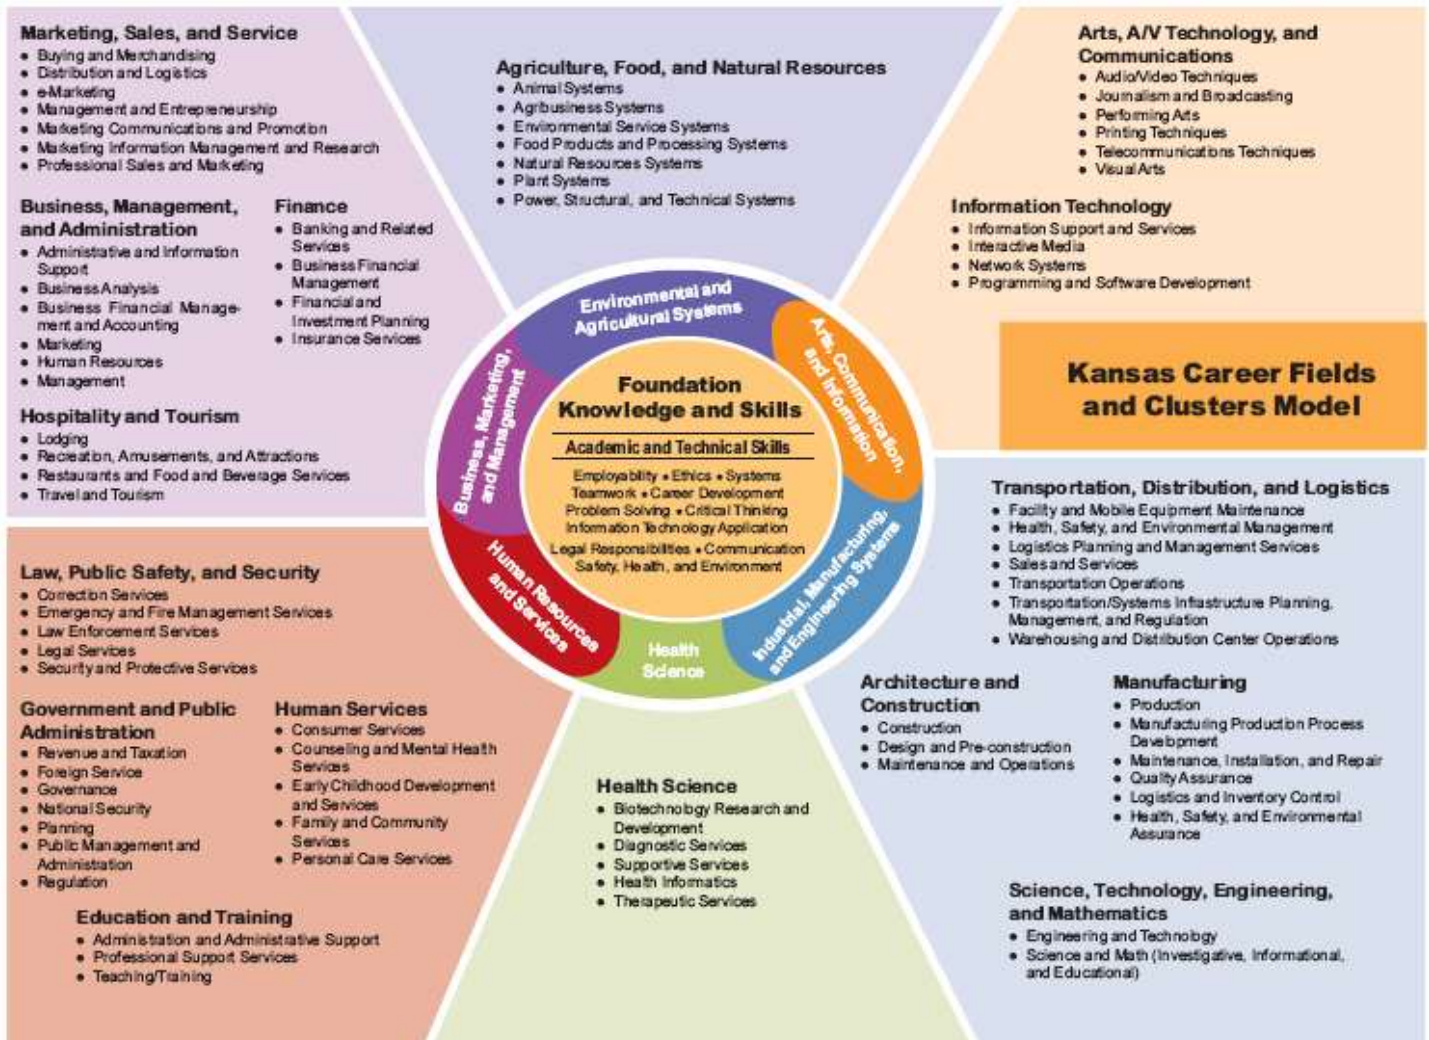

V. Learning Styles

Grade Level: _____

Assessment Instrument: _____

VI. Career Clusters and Personal Plans

The Personal Plan of Study is designed around Kansas's 16 Career Clusters. A Career Cluster is a group of occupations that may have common characteristics and job duties. These clusters help students in exploring career paths.

As the "Career Clusters Model" illustrates, the ability to plan your career begins with the most basic elements of success. Core knowledge, skills, and intangibles such as social skills combine to form the foundation considered vital for every student. Once the foundation is in place, students can explore 6 basic career fields by using assessments designed to provide insight into what interests and motivates them. These assessments range from standardized testing to aptitude surveys, and are a valuable tool for evaluating potential careers.

Within the 6 career fields, there are 16 career clusters. Each cluster contains a set of career pathways. These pathways are exactly what they sound like; pathways that link students from grade school to over 600 specific careers. The pathways identify each step, skill, education requirement, and aptitude needed to be successful within any specific career. You can learn more about career clusters at www.careerclusters.org.

Kansas, like many other states, is embracing the career cluster model and applying it within schools across the state. Kansas CTE has been charged with creating the career pathways as they relate to the curriculum and needs of Kansas students, educators, and employers. Once the model is fully integrated, each student will be able to explore every opportunity and chart their own path to a rewarding career.

VII. Six Year- High School/Post Secondary Plan

Kansas *Minimum* High School Graduation Requirements

(School and/or USD may have additional requirements)

4 Units of English	3 Units of Social Science	3 Units of Science	3 Units of Mathematics
1 Unit of PE/Health	1 Unit of Fine Arts	6 Units of Electives	21 Total

Board of Regents Qualified Admission

State of Kansas students graduating in 2013 and 2014 must meet the following requirements to be guaranteed admission to any of the six Kansas state universities (University of Kansas, Kansas State University, Pittsburg State, Emporia State, Ft. Hays State, and Wichita State):

- Graduate from an accredited high school; AND
- Achieve an ACT composite score of 21 or above (or SAT score of 980); OR
- Rank in the top one-third of your high school's graduating class; OR,
- Complete the Qualified Admissions curriculum with at least a 2.0 grade point average (GPA) on a 4.0 scale.

What is the Qualified Admissions curriculum?

Every high school that is participating in the Qualified Admissions program has a list of its courses for the Qualified Admissions Curriculum. To see a copy, [visit this website](#). Please remember, you need only 13 credits in particular areas for Qualified Admissions. This still leaves you the opportunity to choose among the other courses your high school offers that are not part of the curriculum but may be very important to you.

What are the curriculum specifications?

The Kansas Regents has developed a standard admissions curriculum to be used by the state universities for entrance requirements. This admissions curriculum applies to four of the basic subjects that high school students study. They are:

- [English](#)
- [Natural Sciences](#)
- [Mathematics](#)
- [Social Sciences](#)

What is the required curriculum for Scholarship consideration?

As a Kansas high school graduate, you may be eligible to be considered for one of three state-sponsored scholarship programs.

- [State Scholarship Program](#)
- [Minority Scholarship Program](#)
- [Kansas Teachers Scholarship](#)
